

Steven Donaldson '64 Memorial Scholarship Fund

Established: 1989

The Steven Donaldson '64 Memorial Scholarship, established in 1989 by Steven's sister and Fenwick classmates, is awarded annually to a deserving freshman student with demonstrated financial need who shows the promise of servant hood and service.

Thank you to the members of the Class of 1964 for nurturing this special legacy in Steven's name.

This year's recipient of the scholarship is Brian R. who joined the Class of 2022 this past fall and immediately became engaged in the Fenwick community. During his freshman year Brian was involved in the drama club, the school band playing percussion, at our Open Houses as tour guide, altar serving at school-wide liturgies including the Class of 2019 Baccalaureate Mass, and competing on the Varsity Lacrosse team this spring and helped bring the team the furthest in post-season play in the program's history. According to his coach, "*Brian comes to practice every day with a smile across his face. He's like a sponge, so open to direction from the coaches and upperclassman, and is supportive of his teammates - always.*"

Members of the Class of 1964 have generously made gifts to sustain Steven's scholarship fund; 70 gifts totaling more than \$7,000 over the last five years. Thank you. Continuing Steven's legacy through support of the scholarship fund has made a real difference for many deserving students. Alumni support has proven pivotal, to Steven's and other scholarship funds. Approximately 65 % of current students receive financial assistance. With alumni support, the SND's legacy, "*to make a Fenwick education as affordable to as many deserving students as possible*" continues and remains vibrant.
