## SCHOOL POLICIES AND REGULATIONS

**ABSENT FROM SCHOOL** - Daily attendance and active participation in each class is a critical part of the learning process. A significant role of today's high school is to help students learn to understand and appreciate the importance of punctuality and regular attendance. Evidence points to the fact that regular school attendance has a positive carry-over to the world of work. Therefore students are expected to attend school every day that school is in session. If it is necessary for a student to stay home from school because of illness or for an emergency, A PARENT OR GUARDIAN must call the school at 978-587-8300, between 7:45AM and 9:00AM giving the following information:

1. Student's Name and Homeroom
2. The reason for absence
3. Name of the caller

Upon returning to school after being absent, the student MUST BRING A NOTE FROM HIS/HER PARENT OR GUARDIAN to the homeroom teacher. This note must specify the date(s) absent, the reason for same and signed by the parent or guardian. **A STUDENT WHO HAS BEEN ABSENT MAY NOT PARTICIPATE IN ANY SCHOOL ACTIVITY OR SCHOOL SPONSORED SPORTS, GAMES OR PRACTICES, PROMS, STUDENT COUNCIL, DRAMA, DANCES, BANQUETS ETC. THIS INCLUDES PARTICIPANTS AS WELL AS SPECTATORS. Days out for college visitation, tours or interviews are not excused absences.** All college visits will count as absent, tardy or dismissed, whatever amount of school is missed. If absent, tardy or dismissed because of a college visit, perfect attendance cannot be obtained.

College Visits: Seniors are permitted up to three excused college visits. With verification from the visiting college, students will be permitted to participate in extra- and-co-curricular activities including athletic competitions.

Repeated absenteeism is of serious concern. **A doctor's note is required of all students after their fifth consecutive absence. Any student with seven (7) absences, including seven (7) absences from any class for any reason, in one marking period would be subject to fail the course for the quarter.** Failure would be determined by a review by the administration.

Once 4 unexcused absences have been reached in one quarter, a parent/guardian will be notified.

**TARDY TO SCHOOL** - All students are expected to be regular and punctual in attendance. Punctual transportation to and from school is a parent/student's responsibility. Excessive tardiness may result in disciplinary action as well as loss of unstructured time for upperclassmen.

Students should be present at school by 7:45AM. The first bell rings at 7:55AM for students to report to homeroom. **School starts at the 8:00AM bell. Any student arriving to homeroom after the 8:00AM bell is tardy to school.** Students who are late five times in the same marking period will receive five after school detentions for being late the fifth time, and this will be served at a time determined by the Vice Principal. If there is further tardiness during that quarter, the Vice Principal will contact the parents and further action will be taken, which may include suspension. All students

tardy after the 8:10 bell, must sign in with the Vice Principal's Administrative Assistant AND must also have a parent's note (presented within 24 hours) including the signature, date and reason for the lateness. After signing in, the student must report directly to the class in session, regardless of how much time is left in the period. (No tardy students will be admitted to class without a timed, signed late slip.)

A student who is absent or tardy and his/her parents expect the student to be in school could be subject to disciplinary action for cutting class and/or being truant from school. This could be a one or two day suspension from school. All students are expected to be in school and on time every day school is in session.

**Any student tardy after 11:00AM, (9:30AM on early dismissal days) will be considered absent and the absent policy applies. Thus that student will not be able to participate in any school activity for that day. (The student must be signed in with the Nurse by 11:00AM to be considered present for the day.)**

**ACADEMIC HONESTY** - The students at Bishop Fenwick are expected to do their own work, whether it be assignments, papers, reports, test or quizzes. No student should be copying or borrowing homework from any other student at any time. A student who is dishonest is creating an unwholesome environment for other students and could be subject to disciplinary action. Such as: *Students will receive a grade of zero for the test, quiz, etc., and in the case of major projects/course requirements, students shall make up this work for no credit. Administration reserves the right to impose additional sanctions in the case of extreme circumstances and/or multiple violations.*

The forging of parent/guardian or another student's signature on any letter to the school or on any school document will result in disciplinary action. Falsely representing a parent/guardian in any way will result in disciplinary action.

**ADMISSIONS** - Bishop Fenwick High School admits students of any color, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school and does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admission policies, scholarship programs, athletic programs or any other school administered programs. For additional information, contact the Admissions Office.

## SCHOOL POLICIES AND REGULATIONS

**AFTER SCHOOL GUIDELINES** - Students will abide by these guidelines to determine priorities for after school activities:

1. Make-up of tests and labs
2. After school detentions (teacher's or administration)
3. Extra help sessions
4. Extracurricular activities: Practice for a game, class meeting, student council meeting
5. After school employment

**NOTE:** We highly recommend that students do not work everyday after school. WE DO NOT ACCEPT TRANSPORTATION AS AN EXCUSE FOR NOT STAYING AFTER SCHOOL ONCE A TWENTY-FOUR HOUR NOTICE HAS BEEN GIVEN. **If a student wishes to go directly to extracurricular activities or work after school he/she must fulfill all obligations in regard to school work and school policies.** After school, students must be with a teacher, in the sports program under the supervision of a coach, or they must go to the foyer area waiting for rides. THE BUILDING WILL OPEN AT 7:00AM AND ALL STUDENTS MUST REPORT TO THE STUDENT DINING ROOM. The Library is open until 4:00PM and the Student Dining room is open until 5:00PM, both with supervision.

### ALCOHOL, DRUGS AND TOBACCO

#### **Statement of Philosophy**

Bishop Fenwick High School is strongly committed to providing an environment for all students that is free of alcohol, tobacco, vaping products, and drugs. It is the responsibility of all students, parents and school personnel of Bishop Fenwick High School to work together to achieve this goal.

This commitment acknowledges the need to provide a school environment that is safe and free from alcohol, tobacco and drugs and other related products while at the same time provide for students who might need drug and/or alcohol related intervention and counseling.

Students may request substance abuse counseling or be referred for intervention and counseling by a parent, teacher, or peer. As long as a student is willing to address his/her issues, follow through with any recommended treatment, and does not engage in any exchange of a substance on school property, or at any school activity he/she may remain at Bishop Fenwick. Should a student enter treatment, the school will assist the individual in continuing his/her studies and will work with the professional counselor treating the student to assist with re-entry and recovery.

#### **Deterrence**

Bishop Fenwick High School employs measures to discourage the use, possession, or distribution of drugs, alcohol, tobacco, and vaping products which include: Search of the student's person: If it is believed that a student has violated the law or school policy or has intention to do so, a student's person and/or belongings may be searched by the Principal and/or Vice Principal.

Lockers: Lockers and other property of the school may be searched at any time if suspicion arises.

Vehicles: Upon reasonable suspicion, vehicles located on school property may be searched by an administrator.

#### **Use, Possession and Distribution of Tobacco and Nicotine Products**

Smoking, vaping and the use, possession, or distribution of tobacco and nicotine products are prohibited in all areas of the school building, on the school grounds, in parking areas and all streets adjacent to school property (including St. Mary's Cemetery), in student vehicles, on school transportation, and at school sponsored activities. This includes before and after school. Students violating this policy will be suspended pending more serious disciplinary action.

#### **Violation and Consequences of the Policy**

- A. It is a serious violation of school policy for any student to sell, distribute, use or be in possession of drugs, alcohol, and vaping products on school property, or at any school sponsored activity or event whether on or off school grounds. It is also a serious violation of school policy for any student to be under the influence of drugs or alcohol at school or at any school sponsored activity or event.
- B. Any violations of this expectation will involve disciplinary, rehabilitative action, and/or notification of the police.

#### **Specific Violation and Consequences**

- A. Any student involved in selling, distributing, possessing or using drugs, alcohol, or vaping materials on school grounds or at a school sponsored activity on or off school grounds will be suspended and an appropriate course of action will be determined and implemented. This action, upon review, could lead to expulsion from Bishop Fenwick High School.
- B. Any student under the suspicion of the use of drugs or alcohol will be sent to the School Nurse for further evaluation. If it is believed that the student is under the influence of drugs or alcohol the student's parent/guardian will be contacted and the student will be required to undergo immediate drug and/or alcohol screening. Medical documentation of such testing and results must be submitted to the Principal. Further disciplinary action will be determined once the results of the required screening are reviewed.

## SCHOOL POLICIES AND REGULATIONS

**ASBESTOS HAZARD EMERGENCY RESPONSE ACT & PESTICIDE MANAGEMENT PLAN** - Asbestos and pesticide management plans have been developed for Bishop Fenwick High School. These plans are available to the public at the Main Office of Bishop Fenwick High School.

**ASSEMBLIES** - An indication of the cultural level of a school is the conduct of the student body at assemblies. At all times a student's conduct should be refined and courteous. Whether guests are present or not, each student is responsible for the impression made by the school as a whole. Unacceptable conduct would include whistling, un-called for clapping, calling the name of a student, boisterousness and talking during the program. All students are to sit with the homeroom teacher in assigned seats unless permission to do otherwise has been given. **Any teacher may correct/attend to any student not acting properly at an assembly. Liturgy is one type of school assembly, and all students, regardless of religious belief, must attend the Liturgy. Attendance at all assemblies is required.**

**ATHLETIC CAMPS** - Camps for school related activities such as cheerleading camp, etc., are not sponsored by the school. Students who attend such camps assume full financial cost of the camp and transportation.

**ATTENDANCE - PERFECT** - Is defined as never tardy, never dismissed and never absent from school. Perfect Attendance certificates are awarded at the end of the school year. All college visits will count as absent, tardy or dismissed, whatever amount of school is missed. If absent, tardy or dismissed because of a college visit, perfect attendance cannot be obtained.

**BULLYING** - Schools have long had to deal with bullying among students, including hitting, teasing, name-calling, intimidation, harassment and social exclusion. But in recent years, technology has given teenagers, and even younger students, a new and more anonymous venue for bullying their peers. Students are frequent users of the internet and other technologies - sending email, creating web sites, posting personal news in blogs, sending text messages and images via cell phones, contacting each other through instant messages, posting on social networking sites and posting to discussion boards. Now, students are using these technologies to bully their peers and sometimes to harass school staff. The challenge for schools is not only in identifying and stopping such conduct so that students and staff feel safe at school, but determining the limits of their authority when so-called "cyberbullying" is initiated outside of school and during non-school hours. Cyberbullying, sometimes referred to as Internet bullying or electronic bullying, has been defined as "the willful and repeated harm inflicted through the medium of electronic text". Bishop Fenwick High School takes its

responsibility to provide a safe, healthy environment for its students and staff very seriously. The Administration will hold students accountable for decisions, actions or statements, on or off campus, that violate the mission, vision, value and policies of Bishop Fenwick. This extends to the use of any electronic resource used by students that includes a reference to Bishop Fenwick High School and/or its faculty, staff, students or community.

Electronic resources include all social media. The administration reserves the right to hold students accountable for any material posted on their sites that is contrary to the mission of Bishop Fenwick. Threats of violence (physical, verbal, or emotional), made in person, electronically or through other means, will not be tolerated in the Bishop Fenwick High School community. Students found to have made such threats will face serious consequences at the discretion of the Principal and these consequences could include suspension and expulsion.

**BUS RIDER REGULATIONS** - Unruly conduct and smoking are not permitted on ANY BUSES at any time. Upon entering the bus, students should take their seats and remain seated until they reach their destination. **Disruptive students and students who fail to follow the driver's directions will not be allowed to ride the busses.** If a bus is late to school, the students should report directly to the Vice Principal's Secretary's Office.

**CLASSROOM BEHAVIOR** - The administration and faculty of Bishop Fenwick High School reserve the right to monitor student behavior in the classroom, anywhere in the building or anywhere on the school grounds. The administration may intercede whenever a faculty member feels that it is warranted. Students are expected to reflect the Christian principles that a Catholic education promotes. Each student should show respect for the classroom teacher, classroom proctor and for fellow students at all times. Each student should treat others, teachers and students alike, with honesty, civility and respect at all times. Any behavior that disrupts the educational process will result in disciplinary action. Teachers have a right and a responsibility to take objects and/or materials away from students if they are not supposed to have them. Most often they can be claimed in the Vice Principal's office. Minor infractions will be dealt with by the faculty member; major ones will be handled by the administration. Serious cases of insubordination could result in suspension and/or dismissal.

## SCHOOL POLICIES AND REGULATIONS

**CLOSING OF SCHOOL** - In case of severe weather: snow, ice, low temperature, flooding, etc., the official announcement for "no school" will come from our Alert Now Telephone message system and may also be seen on the Boston Television stations, including: W BZ, W CVB, W HDH and W FXT. **"No School" announcements will be sent to all families through our Telephone Messaging System.** At all times listen specifically for Bishop Fenwick High School. (For example if Peabody calls for a delay, do not assume Bishop Fenwick will have a delay. If not announced, we are in school at the regular time.) Parents are asked to use their best judgment in sending students to school in inclement weather, but if school is in session, students who are not here are marked absent.

**COMPUTATION OF FINAL GRADES** - In determining the Final grade for a year long course, Finalsite (the school's online grade book) will multiply each quarter average by 20, and the mid year and final exam grade by 10. The result will be the final average, converted to a letter grade. (For a semester course the quarter grade is multiplied by 40 and the final exam by 20.) Passing Grade is 60 or D-. In the case of a student who passes first and second quarters, but fails both third and fourth or the senior second semester, a teacher may fail that student at teacher's discretion. The student may mathematically have a passing grade but has failed ½ of the school year. In cases of this - the teacher notifies the Vice Principal.

**COMPUTER TECHNOLOGY** - As a result of the implementation of a school wide computer network at Bishop Fenwick High School, we now provide an unlimited supply of resources and information to our educational community. Although exciting, this places an enormous responsibility on all users. **The system is intended for educational uses only. All Bishop Fenwick rules are applicable to all users of computers and related technologies.** Users must adhere to the same Christian ethics that govern all other aspects of life at Bishop Fenwick. All actions performed on the network must reflect integrity, honesty and compliance with the Bishop Fenwick High School rules as detailed in this Student Handbook. **The most important pre-requisite for someone to receive a Bishop Fenwick High School account is that he/she take full responsibility for his/her own actions.** Therefore, students accessing the computer network must realize that as students of Bishop Fenwick High School, they are expected to behave accordingly and **must adhere to the regulations given to and signed by each student (Acceptable Use Policy) prior to receiving his/her account name.** Students who do not adhere to the rules will have their school account disabled.

**CONTINUANCE AT BISHOP FENWICK HIGH SCHOOL** - If a student fails more than two subjects (whether a semester or year long course) in one academic year, he/she will not be allowed to continue at Bishop Fenwick. The records of the students who fail two or fewer subjects in one academic year will be reviewed as to the feasibility of him/her continuing at Bishop Fenwick. Students who attend summer school or engage in a tutorial program will have a notation on their transcript to indicate credit was earned. At the end of each academic year the administration together with the

guidance department, will evaluate the academic and behavioral progress (including attitude) of all students. Students who are having academic difficulty or who are unable or unwilling to comply with school policies and regulations will be advised as to their continuance at Bishop Fenwick. Research papers, exams, or other written work part of the course must be completed or the student will not be able to continue at Bishop Fenwick.

**CORRIDOR BEHAVIOR** - It is improper for boyfriends and girlfriends to engage in any type of inappropriate physical contact. (Please see **Sexual Harassment** for more information.) This is especially unacceptable behavior during the school day. If such behavior is observed, parents will be notified. Students are not allowed to loiter in the corridor or the lavatories. Students who are frequently in these places will be sent to the Vice Principal. Faculty members may and should instruct students not to be in the corridors or lavatories during class time.

**CRISIS PLAN** - An updated Crisis Plan has been developed for Bishop Fenwick High School. This Crisis Plan is available to the public at the Main Office of Bishop Fenwick High School.

**CUTTING OF CLASS** - If a student cuts a class, he/she will be immediately suspended for one school day, and parents will be notified. A parent conference must be held before the student will be readmitted to school on a probationary basis. If another class is cut, serious consideration will be given as to whether the student may continue at Bishop Fenwick High School. **No credit or makeup is allowed for the class that was cut nor for any classes missed during the day of suspension.**

**DANCE REGULATIONS** - Specific rules and regulations for dances will appear on the back of the dance ticket. All students should be able to produce a photo ID upon arriving at the dance. All rules regarding drug and alcohol abuse as outlined in the most current handbook will be in effect the night of the event. Any student who violates the terms of the agreement will be subject to the penalties as outlined in the most current handbook of Bishop Fenwick High School.

**DETENTION** - Students will be assigned detention by teachers or administration for violation of school policies and regulations, and this detention will be served AFTER 24 HOURS NOTICE has been given. **We accept no excuse for not complying with this regulation. If a student does not stay on the day designated, the Vice Principal will be notified and a double detention will be given: one hour to be served with the Vice Principal and one hour to be served with the teacher who gave the original detention. If the student does not stay, the Vice Principal will suspend the student for one school day.** Frequent detention will result in a parent conference with the Vice Principal and will cause the student's status to be reviewed at the end of the year.

## SCHOOL POLICIES AND REGULATIONS

**DRESS CODE** - Bishop Fenwick is a college preparatory high school dedicated to preparing its students to take their rightful place as Christian professional people in a competitive world. All too often the first impression people form about one is based on appearance. Interviews for jobs or colleges can often hinge on the first impression made as the candidate introduces him/herself. Therefore, we as part of the total educational process at Bishop Fenwick expect our students to dress appropriately in school.

**It would be impossible to write a dress code that would cover all items of clothing, but we would like to make the choices as simple and as clear as possible. Parents have an obligation to see that their child is properly dressed before they come to school.**

A student dressed inappropriately should be sent to the Vice Principal's office who will then notify the student's parents. The student will remain there until suitable dress is obtained, either from the parent or from the school. The student will also receive detention for being inappropriately dressed. The parents of a student who receives detention twice in one semester for this reason will be notified by letter that suspension will follow the next offense.

It will be noted on the records when a student is formally expelled.

Students are required to present a permission slip signed by one parent and verified by the advisor planning the trip. School trips will be transported on public busses or school busses. Students are not to notifytheir parents themselves; the call must come from the Nurse's Office.** Students will be disciplined for not following proper procedure. Students who drive a car to school, may drive themselves home if ill, ONLY when the Nurse receives parental permission and in her judgment they are able to drive home. **IF, FOR SOME REASON, THE NURSE IS NOT IN HER OFFICE, THE STUDENT MUST REPORT TO THE MAIN OFFICE. Students who are ill should not be in the lavatories. Students not officiallysigned into the Nurse's Office will be considered to be cutting a class. Students sent home from the Nurse's Office maynot return that day or evening to participate in any school activities.** In case of accidents or illnesses in which the student cannot report to the Nurse or Main Office, someone should notify any teacher who will take over and follow school procedure.

**HONOR ROLL** - The determination of honor roll status is arrived at by adding the grade point values of all major courses and then dividing by the number of major courses. **However, students maynot receive a failing grade in anysubject, anygrade lower than a B-, or an "I" (Incomplete).** If for any reason, a student is not carrying a full load of courses (6 Majors), HE/SHE W ILL NOT BE ELIGIBLE FOR HONORS. **All tuition payments and/or bills must be current to be eligible for Honor Roll publication. ## SCHOOL POLICIES AND REGULATIONS

**ELECTRONIC DEVICES:** - All electronic devices must be turned off by the start of the homeroom period and should remain off until the end of the school day. Teachers may instruct students to use their electronic devices during an instructional period. The school recognizes the popularity and convenience of electronic devices, but it also recognizes the chaos they can cause if one, two or many ring during a class or anywhere in the school building. **Therefore, any use of an electronic device during the school day, for any purpose, anywhere in the school building, which includes in the lavatories, dining room, corridors and classrooms, is prohibited. Said electronic device will be taken away from the student and may only be retrieved by a parent/guardian at the Administration's convenience. No pictures/videos may be taken via cell phones at any time during the school day.** If it becomes necessary for a student to use a cell phone to call home during the school day, arrangements can be made with the Vice Principal.

**LOCKERS** - Students may go to their lockers before and after homeroom period, (not during), before and after lunch, and at the end of the day. **STUDENTS MAY ALSO GO TO THEIR LOCKERS BETWEEN CLASSES IF THEY DETERMINE THAT THEY HAVE TIME TO MAKE THE STOP AND STILL GET TO CLASS ON TIME.**

There is a three (3) minute travel time between each class and all students are expected to be on time for classes. A book bag would be helpful to carry books, notebooks, and writing utensils. Students should not be at lockers during the class period, this includes students who are on an unscheduled period. No students should write on, put stickers on, or otherwise damage the school locker. The lockers are school property and should not be vandalized. **A school lock must be placed on the lockers at all times and the lock should be securely locked.** (Please see **Valuables of Students** for more information regarding lockers.)

**Administration reserves the right to search lockers at any given time.**

**MAKE UP WORK** - It is the responsibility of the student to make up all work missed because of absence. Upon returning to school, the student should contact each teacher for the time and date when missed work can be made up, normally within three days. For extended illness, special arrangements will be made with the Administration and teachers.

**MARKING SYSTEM** - The letter grade "I" (Incomplete) will be given when a student is absent due to illness and did not have enough time to complete the necessary work in that marking period. Students are responsible for making up all incomplete work in accordance with teacher requirements. All incomplete work not completed before the end of the next marking period will result in a failing (F) grade.

**The grading policy which is used for the Honor Roll and the determination of final grades is as follows:**

Grade.....	Numerical Values
A+ .....	97 - 100
A.....	93 - 96
A- .....	90 - 92
B+ .....	87 - 89
B.....	83 - 86

C+ .....	77 - 79
C .....	73 - 76
C- .....	70 - 72
D+ .....	67 - 69
D .....	63 - 66
D- .....	60 - 62
F.....	59 and below
I.....	Incomplete - work must be made up

or this grade becomes a failure, "F"

(D- is passing, anything below is a Failure)

Report Cards will be issued at the end of every marking period in homeroom. Students must return the reports with a parent signature within one week of their distribution. The last report card will be mailed home. Report cards may not be issued if an overdue tuition balance exists.

**MEDICATION POLICY** - No medication will be dispensed to the students without permission of the parents, in writing, including non-aspirin. A form was included in this year's summer mailing requesting parental permission for the School Nurse to dispense non-aspirin. This form **MUST** be returned to the Main Office the first week of school and will be kept on file in the Nurse's Office. **PLEASE** try to avoid school hours for dispensing of medications. Many doctors will prescribe antibiotics to be taken three times a day rather than four times a day, therefore, eliminating the school-time dose. **In the event that your child MUST take medication PLEASE send it in a prescription bottle which MUST include: student's name, the name of the medication, the date, the dosage to be given and the name of the physician.** Pharmacists will provide duplicate bottles on request. In addition: **PLEASE** submit a note giving parental permission for the medication to be given.

## SCHOOL POLICIES AND REGULATIONS

**NATIONAL HONOR SOCIETY** - The purpose of the National Honor Society is to honor students who are outstanding in SCHOLARSHIP, LEADERSHIP, SERVICE AND CHARACTER. Selection of students is an honor accorded by the Faculty Council. Students **MAY NOT** apply. The following scholastic requirements are necessary in order to be considered for the Bishop Fenwick Chapter of the National Honor Society. Candidates are expected to have a minimum cumulative scholastic average of 4.0. Scholastic eligibility is based on **cumulative scholastic average** arrived at by adding the weighted values for all of the major courses the student is taking in accordance with the national regulations. All scholastic records will be reviewed, including the semester prior to the induction, **which itself must be a 3.7, as well as the cumulative grade of 3.7 or better**. Candidates for the Bishop Fenwick Chapter shall be received into the Honor Society during the Sophomore, Junior or Senior Year. All scholastic records from freshman year will be reviewed, using the final average for each course. Although the scholastic criteria is based on the GPA, the other three areas of SERVICE, LEADERSHIP AND CHARACTER, are determined by the Faculty Council.

\* **Service:** This quality is defined through the voluntary contributions made by a student to the school or community, done without compensation and with a positive, courteous, and enthusiastic spirit. At least fifteen (15) hours of service should be completed each year.

\* **Leadership:** Student leaders are those who are resourceful, good problem solvers, promoters of school activities, idea-contributors, dependable, and persons who exemplify a positive attitude about life. Leadership experiences can be drawn from school or community activities while working with or for others.

\* **Character:** The student of good character upholds principles of morality and ethics, is cooperative, demonstrates high standards of honesty and reliability, shows courtesy, concern, and respect for others, and generally maintains a good and clean lifestyle.

In order to ascertain the degree to which a student candidate meets the selection criteria, the local Faculty Council reviews the Student Activity Information Form, reads the student essay indicating desire to be a Chapter member, and relies on a current teacher's letter of recommendation. Under all circumstances, the students are reminded that continued membership in the chapter is based upon **students maintaining the standards under which they were admitted.**

**PARENT CONFERENCES** - Parents are encouraged to make appointments to discuss the progress of their student at any time during the school year. If an appointment is desired, the parent should contact the school office and leave his/her name and phone number so the teacher can return the call and arrange a time for the meeting. Contact with the teacher may also be made through email and/or voice mail. The school web site lists all of the teachers' email addresses.

**PARKING** - For security purposes, only cars with a Bishop Fenwick parking tag may use the parking lot during the school day. Students who choose to drive to school are responsible for getting to school on time. Parking on the school grounds is a privilege and as such a designated parking area is provided for the students. Students must park in this area between the white lines. **No student may park in a numbered faculty spot, nor should any car be parked on the road way on either side of the school property. No cars should block anyone in or be illegally parked, this includes all Handicapped spots. Cars found in any of these places will be towed (at owner's expense).**

Drivers are expected to conform to normal, courteous behavior while driving on campus. Students should be aware of speed limits, stop signs and speed bumps. IN ORDER TO PREVENT DAMAGE TO VEHICLES AND OTHER PROBLEMS, STUDENTS ARE RESTRICTED FROM THE PARKING AREA. NO STUDENT MAY BE IN THE PARKING LOT OR A CAR DURING THE SCHOOL DAY WITHOUT PERMISSION OF THE ADMINISTRATION. If a student does not conform to the above regulations, the student will not be allowed to bring a car on the campus. A student found in the parking lot or a car without permission will receive a detention. If a student is in the parking lot or car a second time without permission, the student will be suspended for one school day.

**All students who drive to school must register their car(s) with the Main Office. A Bishop Fenwick Parking Tag must hang from the rear view mirror if the car is parked on school grounds during the school day. (Parking tags are a one time fee of \$10.00.) No cars may be parked on school property without a school parking tag. All cars must be parked in a legal parking spot and when the school parking lot is filled, students must park their cars on the street. This particularly applies to students who are late for school. Rule of thumb, if you are late do not spend time looking for a spot in the parking lot or park illegally, park on the street.**

**PHYSICALS** - To be eligible to participate in any sports, all students must pass a physical examination. Physical examinations must be performed by a fully registered physician. **Physicals must be current, that is dated within one year of participation in a particular sport.**

## SCHOOL POLICIES AND REGULATIONS

**PLAGIARISM** - Academic Integrity: Cheating (which includes plagiarism, copying homework, etc.) is a violation of the learning environment and the philosophy of Bishop Fenwick High School. Scholastic dishonesty undermines the ability of students to recognize their intellectual gift and the desire to develop these talents for their good and that of others. Students found in violation of this policy will receive a grade of zero for the activity and in the case of major projects/course requirements, students must make up this work for no credit. Administration reserves the right to impose additional sanctions in the case of extreme circumstances and/or multiple violations.

### What is Plagiarism?

(Prepared by the Grosse Point High School Media Center)

1. Copying and pasting text from on-line media, such as encyclopedias is plagiarism.
2. Copying and pasting text from any web site is plagiarism.
3. Transcribing text from any printed material, such as books, magazines, encyclopedias or newspapers is plagiarism.
4. Simply modifying text from any of the above sources is plagiarism. (For example - replacing a few select words using a Thesaurus does not constitute original work.)
5. Using photographs, videos or audio without permission or acknowledgment is plagiarism. You may use such a photographic, video or audio source with or in a paper or multimedia presentation that you create, as long as you do not profit from it or use it for any purpose other than the original assignment and you must include that source in your bibliography.
6. Using another student's work and claiming it as your own, even with permission, is academically unethical and is treated as plagiarism. This is known as collusion.
7. Acquiring work from commercial sources is academically unethical and is treated as plagiarism.
8. Translating from one language to another is not using your own words, and falls under the guidelines for quotations, summaries and paraphrasing.
9. Using an essay that you wrote for another class/another purpose without getting permission from the teacher/professor of both the current class and the class for which the original work was used is self-plagiarism and is basis for consequence or penalty.

**PROBATION** - Students placed on probation and their parents will sign a written contract stipulating the conditions under which the student will be allowed back to school. Such students are aware of the serious nature of this status. If recommendations, such as counseling, are part of the Probation, the student must abide by them or he/she will not be allowed to remain at Bishop Fenwick.

If the school is aware of any student who becomes involved with the police, that student will be placed on probation and his/her parents will be asked to sign a probation contract. Such behavior is in direct contrast to the philosophy of Bishop Fenwick High School, and all students need to know that wherever they go or whatever they do directly reflects on the name of Bishop Fenwick. Police involvement with a student that results in a felony charge could result in expulsion for the student. Determination for expulsion will be made by the Principal in consultation with the Board of Trustees.

**PROGRAM OF STUDIES** - During the months of February and March, the students will be making course selections for the next school year. It is important to remember that prerequisites and department approval are necessary to sign up for many courses. The guidance counselors and the classroom teachers assist the students with this process. A fee will be assessed for course changes requested during the school year. Changes are made only if there is room in the course and it fits into the student's schedule. No changes are made for teacher preferences. No changes are made after the Course Change Deadline.

**\*\*NOTE - ALL STUDENTS ARE REQUIRED TO TAKE SIX MAJOR SUBJECTS EACH SEMESTER!**

**PROGRESS REPORTS** - The progress of all students may be followed by logging into Finalsite at any time. Passwords are mailed home at the beginning of the school year to freshmen and new students. Passwords for sophomores, juniors and seniors do not change from the previous year.

**RESTRICTED AREAS** - Students are not allowed to leave the school building after the start of homeroom unless they wish to utilize the picnic tables during the lunch periods. For security reasons, students may not go to their cars unless permission is received from the Principal or Vice Principal.

**SENIOR EXEMPTION FROM EXAMS** - Teachers may opt to allow seniors who have an average grade of A- or better in a year long course to be exempt from the final examination. This policy does not apply to seniors taking any semester courses.

## SCHOOL POLICIES AND REGULATIONS

**SENIOR PRIVILEGE** - If a senior has the last period, or last two periods, of the day unscheduled, he/she may obtain a form from the Main Office. After having it signed by a parent and returned to the Main Office, the senior may leave the school after his/her last period of the day. Once a student leaves the school he/she may not return until after dismissal.

**THIS PRIVILEGE DOES NOT APPLY TO ANY FRESHMEN, SOPHOMORES, OR JUNIORS AT ANY TIME.**

**SEXUAL HARASSMENT** - Bishop Fenwick High School is committed to providing an educational environment that is free of sexual harassment. Sexual harassment is completely unacceptable and will not be tolerated in any form. It is also a violation of this policy to condone sexual harassment by another person. For purposes of this policy, to "condone" sexual harassment means to participate in such harassment by inciting, encouraging, fostering or otherwise giving support or approval to that harassment. Also prohibited is any retaliation against any other person because he/she complains of sexual harassment or assists a school investigation of harassment and any intimidation, coercion or other attempted interference with an investigation of a harassment complaint. The school will take seriously all complaints of sexual harassment, the condoning of sexual harassment or retaliation and will have each such complaint thoroughly investigated.

Students are prohibited from making unwelcome sexual advances or requests for sexual favors and from engaging in any other verbal or physical conduct of a sexual nature when those advances, requests or conduct have the purpose or effect of unreasonably interfering with the education of another student or the working environment of any employee of the school by creating an intimidating, hostile, humiliating or sexually offensive educational or working environment. As noted above, any condonation of the sexual harassment of a student and any retaliation against a student because he/she complains of sexual harassment or assists a school investigation of such a complaint is also prohibited.

### **SEXUAL HARASSMENT EXAMPLES AND FURTHER POLICY DISCUSSION -**

Whether particular language or conduct constitutes sexual harassment depends upon the circumstances of the incident and will be determined by the school on a case-by-case basis. The following are, however, some examples of language and conduct which all students of Bishop Fenwick are cautioned to avoid. **This is not an exhaustive list.**

\* Comments to, or about, any student or school employee or his/her appearance that are sexually graphic or would otherwise tend to be degrading.

\* Any physical contact of a sexual nature.

\* Jokes or other remarks with sexual content that is graphic or may otherwise be offensive to others.

\* Sexually suggestive sounds or gestures.

\* Display of objects, posters or pictures of a sexual nature.

**SPORTS** - The athletic program is designed to give all students an opportunity to perform and perfect his/her athletic skills. Participation in this program is considered a privilege. Conduct on the way to, from and during the game is a personal responsibility for each student. Since this is a school activity, the student athlete and spectator represent the school. Unruly conduct, vandalism and rowdiness are contrary to the ideals of sportsmanship. Bishop Fenwick High School offers a broad range of Varsity, Junior Varsity and Freshmen teams. Membership on these teams is open to all students who meet the qualifications of the sport. In order to participate in athletics the student is required to have a current physical examination. If a student is truant for the whole day, he/she will be suspended. A parent conference must be held before the student is readmitted to the school on a probationary basis. STUDENTS SHOULD NOT SHARE THEIR LOCKERS OR LOCKER COMBINATIONS WITH CLASSMATES!**

**NOTE:** Although a student's locker is meant to be a private storage area it is the school's policy to periodically examine lockers. The locker is, and remains, the property of the school. **STUDENTS MUST KEEP LOCKS ON THEIR LOCKERS.** It is not advisable to bring personal valuables to school. # THE O'ROURKE LIBRARY

The O'Rourke Library was formally dedicated in May, 1981 to Sisters Madeleine and Julienne O'Rourke, SND, who served as librarians at Bishop Fenwick for the first twenty years of the school's existence. The dedication of the library in their honor and the hanging of their portrait in the reference room is testimony of their devoted service to the students of Bishop Fenwick.

**ATMOSPHERE** - It is expected that an atmosphere of quiet study will prevail in the library at all times both during and after school hours for the benefit of those students and teachers who wish to do serious work or reading. Those who do not respect the rights of others in this regard will be asked to go elsewhere.

**HOURS** - The library is open from 7:45AM to 4:00PM. With permission from the principal and the librarian, the library may be used outside of normal hours.

**STUDY PERIODS** - Students from assigned studies and classes being covered during a teacher's absence may come to the library providing they follow the procedure outlined below:

- < Student receives a pass from the proctor
- < Student brings the pass to the librarian and remains in the library unless permission is given to return to the class
- < At the end of the period, the student collects the pass from the librarian and **returns it to the proctor**
- < Students who do not act appropriately will be sent back to class

**BOOKS** - Books may be signed out of the library for a period of two weeks. All books taken out are due on the latest date written on the card in the book pocket. A book may be renewed for an additional period of two weeks, provided another student has not requested it. **At the end of the academic year, all books will be expected to be returned before final exams.** If books are long overdue, they will be charged a fee. If books are damaged or lost, students will be charged a \$5.00 fee for a paperback, and a \$15.00 fee for a hardcover book.
