

FENWICK

Dear Class of 2024,

As part of our One-to-One tablet and laptop program, we will require each student in the Class of 2024 to come to school each day with their own laptop or tablet with keyboard.

Students can use either a Microsoft windows tablet/laptop or an Apple Mac tablet/laptop

If your student chooses to bring a Windows device to Fenwick the minimum hardware and software specifications are listed below.

Windows

Operating system - Windows 10

Memory - Minimum 4GB of RAM (6GB or 8GB would be better)

Hard disk - Minimum 250GB

Processor - Minimum Core i5 Processor or better

An active Antivirus subscription

Wifi Capability

Keyboard

If your student chooses to bring an Apple device to Fenwick the minimum hardware and software specifications are listed below.

Mac

Any new MacBook, MacBook Air or MacBook Pro will work fine.

Operating system- MacOS 10.14 with the latest updates

Memory - Minimum 4gb of RAM (6GB or 8GB would be better)

Hard Disk – Minimum of a 128GB SSD drive

Processor - Minimum Core i5 Processor

An active Antivirus subscription

Wifi Capability

I would also recommend that you purchase accidental damage protection if it's available.

If you have any questions, contact me at cmr1@fenwick.org or call me at 978-587-8339.

Have a restful summer!

Christopher M Russell
Director of Technology
