

Dear Members of the Fenwick Class of 2024:

Congratulations from the Mathematics Department on your acceptance into Bishop Fenwick High School. We welcome you and look forward to working with each of you in the fall.

To ensure that you are enrolled in the mathematics course best suited for you, we invite you to take the Fenwick Math Placement Test on-line via Zoom and Socrative. Your performance on this placement test as well as your current grades and your HSPT results will inform your math placement as a freshman at Fenwick.

Please, join us for the Fenwick Math Placement Test on **Wednesday, June 3rd at 3:00 p.m.**

- We will first have a Zoom: a video-conference program to greet and meet every student
- Next, we will launch a practice assessment using “Socrative.com”; a very user-friendly and intuitive program. This will be a hands-on demonstration of how to take the test on-line. In addition, students will be able to ask questions and become comfortable with the technology side of this assessment.
- Once all students are comfortable with the technology, we will launch the Fenwick Math Placement Test using “Socrative.com”. This test takes approximately 45 minutes, though students will be allowed additional time if needed
- How to prepare:
 - ✓ Pencils and scrap paper are needed
 - ✓ Calculators are not allowed
 - ✓ Your full name is required; not your nickname
 - ✓ Know the name of the school where you are currently enrolled

I look forward to seeing you on June 3rd at 3:00 p.m. for our assessment session. If you have any questions or concerns, please do not hesitate to contact Mrs. Nagle at cdn@fenwick.org.

Sincerely,

Mrs. Christine Nagle
Mathematics Department Chairperson
