

Hosting Opportunity at Bishop Fenwick High School

Bishop Fenwick High School collaborates with Cambridge Network (formerly gphomestay) to bring international students to our school for the upcoming school year! We are looking for families in the Peabody, MA area that are interested in the rewarding experience of hosting!

Start and End Dates: Late August 2018 – June 2019

The ideal host family will have a student attending Bishop Fenwick High School for the upcoming school year, will primarily speak English at home and has time in their schedule to interact and share their American and family culture with the student.

In addition to a loving and nurturing home the host family will need to provide:

- Three meals per day
- A private, furnished room
- Transportation to and from school

Stipend:

A generous stipend of \$1224.00 per month for the academic year will be provided to offset the costs of hosting.

Support:

Cambridge Network provides ongoing support during a student's stay including on-call access to a Support Services Coordinator, a conflict resolution team, respite care for family vacations and emergency situations, umbrella insurance for host families, medical insurance for all students, quarterly residential check-ins and local staff in the community.

For any families that are referred, approved and matched, the referring party will receive a \$500 referral bonus.
